expected to be completed. The year 1908-09 was not directed to be included in the Auditor's programme of work, very probably because the Govt. orders in the matter issued only in July 1908. It is however submitted that it was the Government that took the initiative in the matter of auditing the Trust Accounts

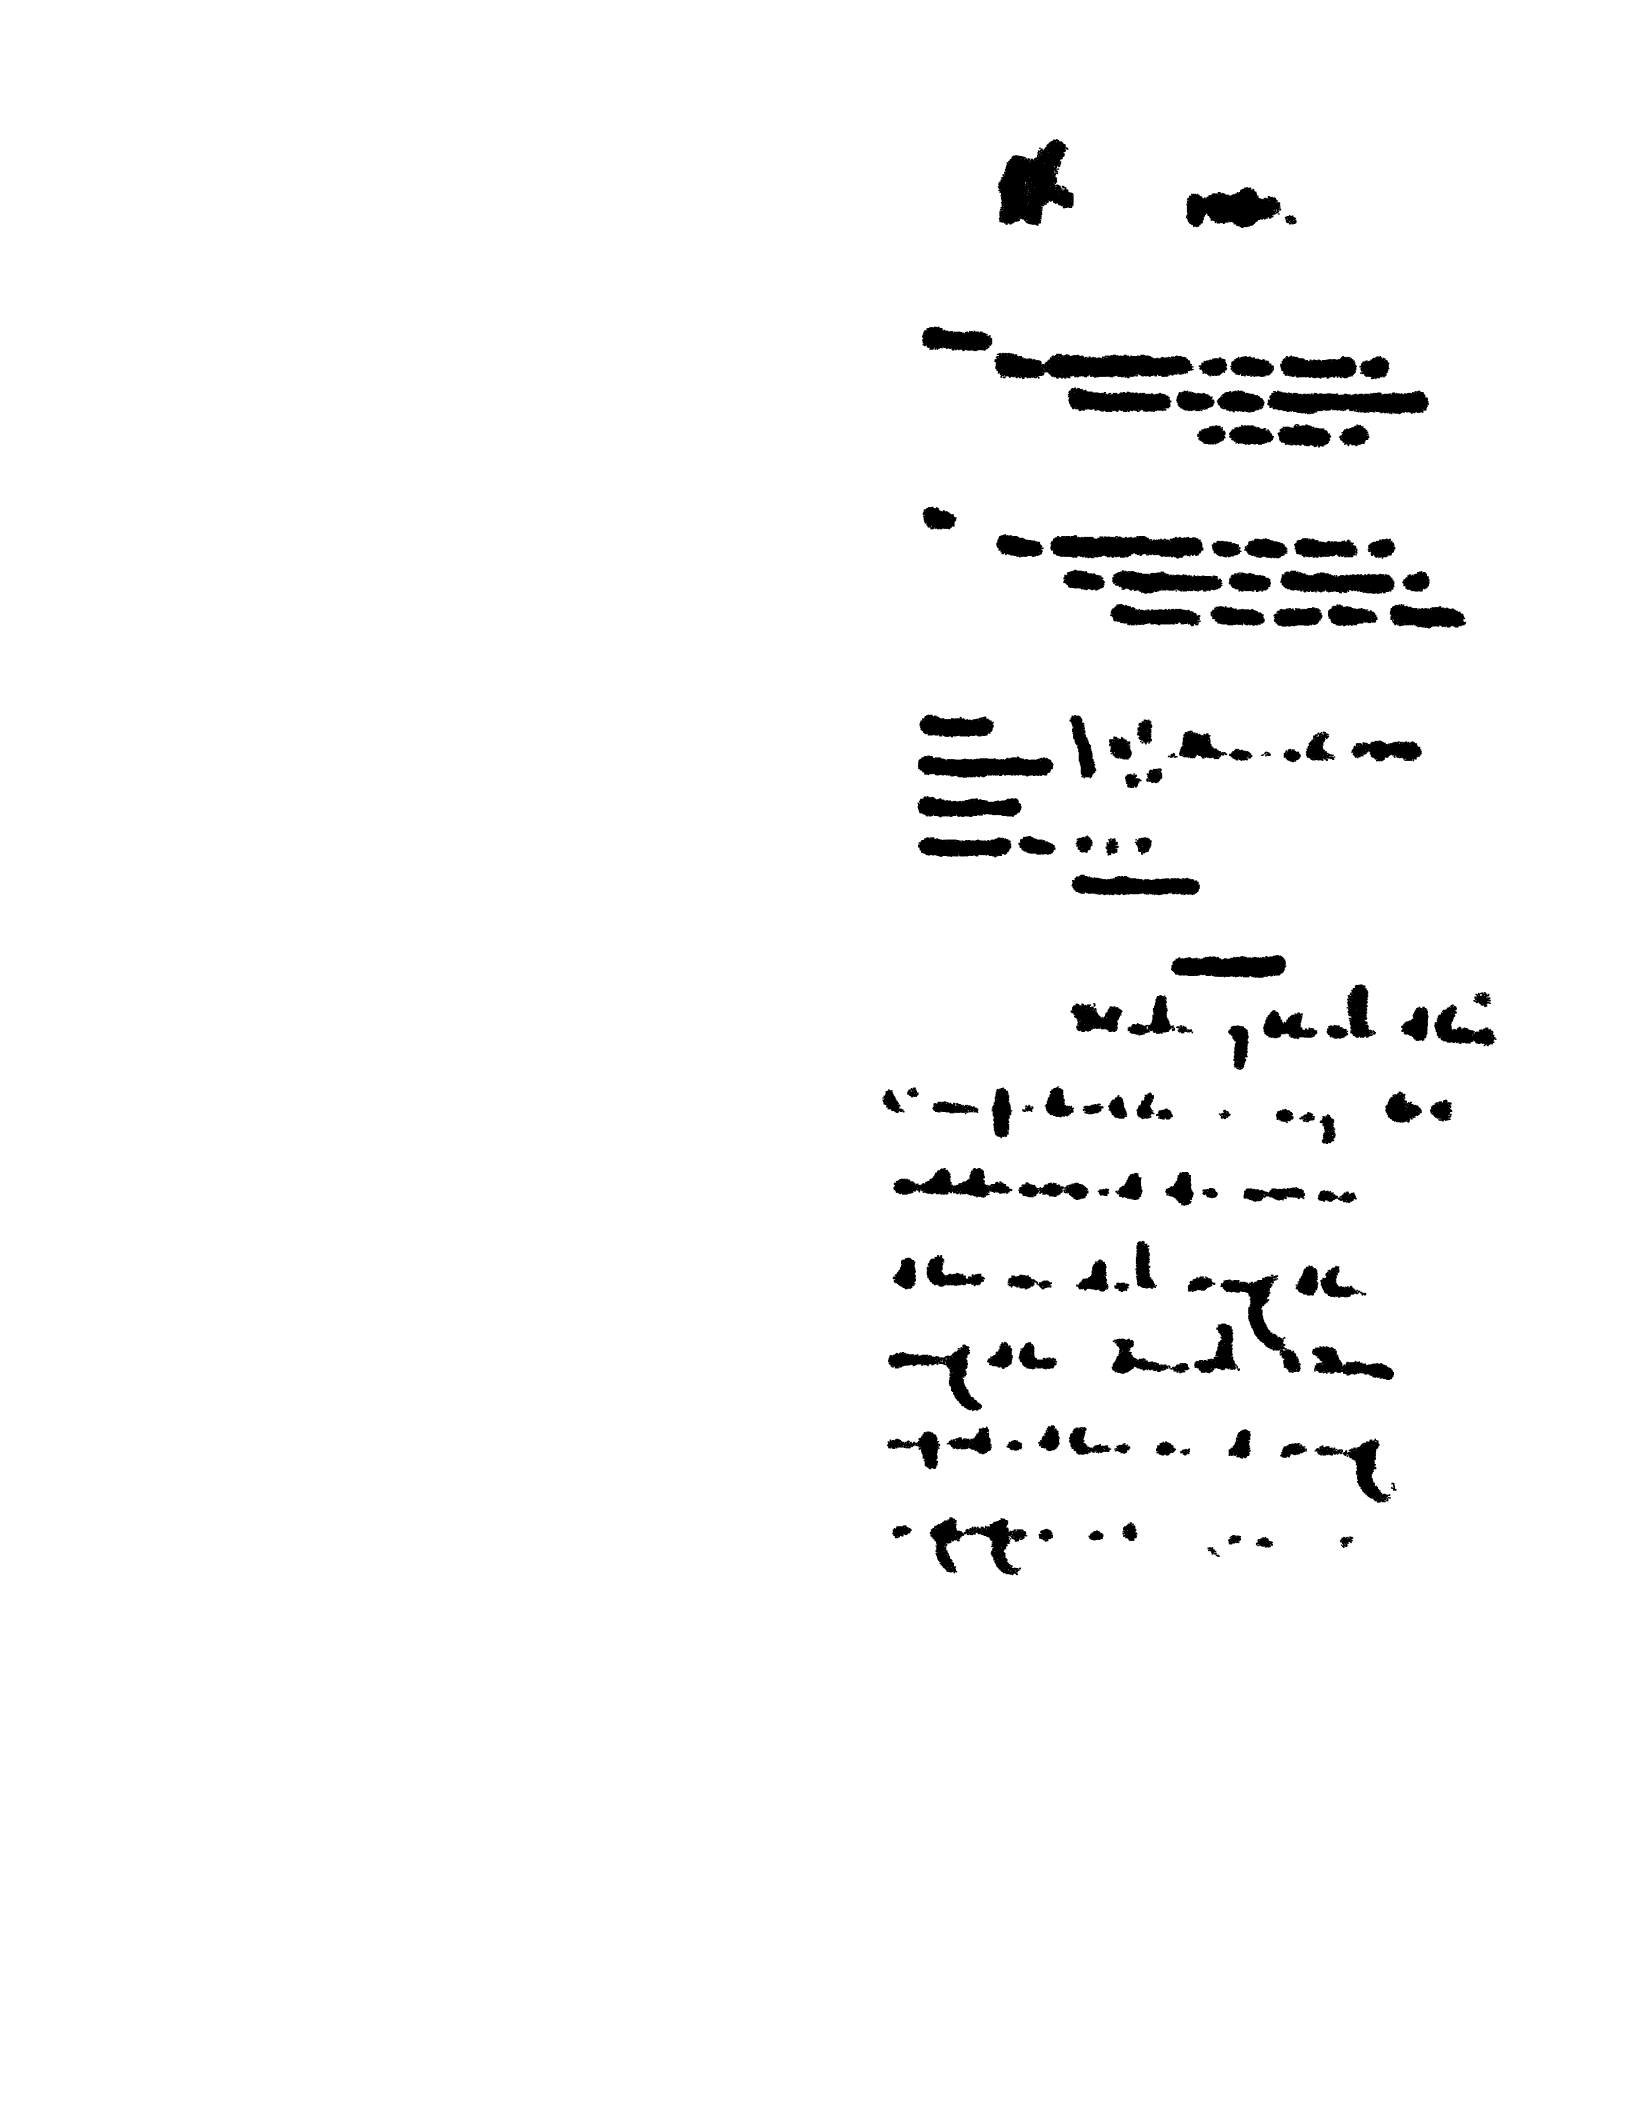
**SIR,**

With reference to Government Proceedings No 2403-5/M L 109-08-2, dated the 5th September 1908, sanctioning the audit of the accounts of the Trust Board from the commencement of its operations to the end of June 1908, I have the honor to request you to be so good as to move Government to address the Comptroller to arrange for the audit of the said accounts up to the end of the official year 1908-09

The audit work prescribed in the Government Order quoted above, is nearing completion and the experience gained by the hands employed, in the details of the Board's transactions will surely minimise the time and labour for the auditing of the accounts of one more year

The year 1908-09 is practically the first year of the working of the Board as reconstituted under Government order No 6862-8/M L 77-07-6 dated the 17th January 1908 It is desirable, therefore, that the Board should be assured at this early stage only, of the propriety or otherwise of its present method of work after reconstitution, so that it might correct itself if necessary, before long.

I solicit the favour of early orders of Government



Government in the matter.

I have the honor to be

Sir,

Your most obedient servant,

for Chairman
